Dear Friends,

Harnett Regional Theatre (HRT) is pleased to announce our 2017-2018 season. We will open our season in November with *The Life and Adventures of Santa Claus*, a comical Christmas show to certainly get you in the Christmas mood. After the New Year our season continues with a classic, *Arsenic and Old Lace* and our spring musical will be *Oliver*. We have streamlined our season this year with three shows that offer both variety and quality entertainment. The production of these shows requires a financial commitment from HRT with a significant part coming early in the season.

This year we invite you to become a PATRON of HRT. Our goal is to have 100 Patrons before we begin our opening act in November. A small donation of \$100 will show your willingness to support the arts and community theater in Dunn and Harnett County. Your donation will allow you and one guest to attend ALL SHOWS this season and enter the theater early for priority seating. Our Patrons will also be highlighted in our playbill. We are excited about you being part of our team!

Thank you for your support of HRT over the years and we trust that we can count on you again to help make this season our best. Please mail your \$100.... I WANT TO BE A PATRON.... check to HRT PO Box 1471 DUNN NC 28335. Log on to www.onlinehrt.org for show dates and time.

Sincerely,

Lynn T Godwin

President, Harnett Regional Theatre
